Our Holiday Priorities

Talk it over as a family. Choose what matters most, one thing to simplify, and one small next step.

THREE THINGS THAT MATTER MOST

1. What do we most want to make time for?

2. What else would make this season meaningful?

3. What is one more thing we want to prioritize?

ONE THING TO SIMPLIFY

What can we skip, scale back, or ask for help with?

ONE NEXT STEP

What is one small action we can take to support our priorities?
